

sunny
days
happy
ways

good
vibes
high
tides

soak up
the sun
& the
good
stuff

stay cool
and be
kind

easy
breezy
beautiful
you

sweet
treats
bright
days

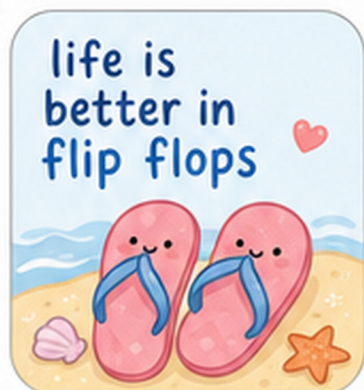

go with
the flow

a little
sunshine
goes a
long way

life is
better in
flip flops

take time
to grow

slow down
and enjoy
the now

good food
good mood

chase
sunshine
not stress

keep it
simple
keep it
sunny

salt air
messy hair
happy
heart

collect
moments
not
things
