

Name: _____

Date: _____

Adjectives: Describing Nouns

An **adjective** is a word that **describes** a noun.
It tells what kind, which one, how many, or how it is.

Example: The **happy dog** is playing.

Part 1: Underline the adjective(s) in each sentence.

1. The fluffy white cat is sleeping on the couch.
2. I ate a cold, sweet ice cream on a hot day.
3. My little brother has a red backpack.
4. We saw three tall giraffes at the zoo.
5. The old, wooden bridge crosses the river.

Part 2: Choose the best adjective from the box to complete each sentence.

bright

small

friendly

soft

shiny

1. The _____ sun is shining in the sky.
2. My _____ puppy loves to play with balls.
3. She has a _____ smile that makes everyone happy.
4. I found a _____ shell on the beach.
5. The kitten's fur is very _____.

Part 3: Write your own sentence using a noun and an adjective.

Sentence: _____
