Adverbs: Frequency Words

(always, never, sometimes)

Adverbs of frequency tell us how often something happens.

always – something happens all of the time.

Example: I **always** brush my teeth.

never – something does not happen at all.

Example: I **never** eat junk food.

sometimes – something happens once in a while.

Example: I **sometimes** play video games.

1. Read each sentence. Write the correct frequency word on the line.

A. I brush my teeth before bed.

B. I eat vegetables.

C. I play video games on school nights.

2. Choose the best frequency word to complete each sentence. Circle your answer.

1. I _____ do my homework after school. **always** **never** **sometimes**

2. I _____ forget to bring my water bottle. **always** **never** **sometimes**

3. I _____ go to the park on the weekend. **always** **never** **sometimes**

3. Write your own sentence using each frequency word.

always _____

never _____

sometimes _____

Remember: Adverbs of frequency tell **HOW OFTEN** something happens.
