FRACTIONS INTRODUCTION WORKSHEET

A fraction shows a part of a whole.

It is written as $\frac{a}{b}$.

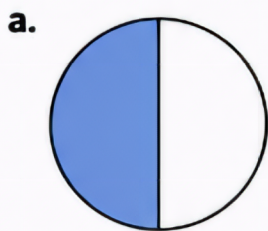

The top number (a) is the **numerator**.

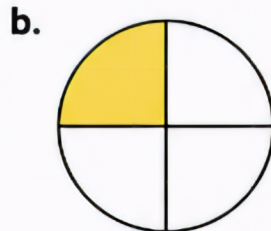

The bottom number (b) is the **denominator**.

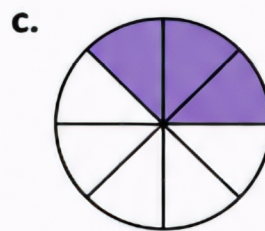

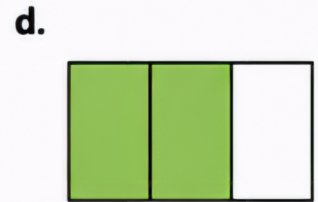

This shows $\frac{1}{4}$
(one fourth)

1. Write the fraction that is shown by the shaded part.

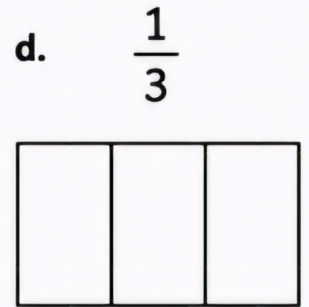

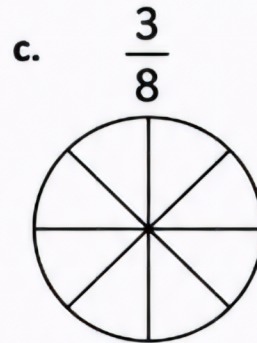

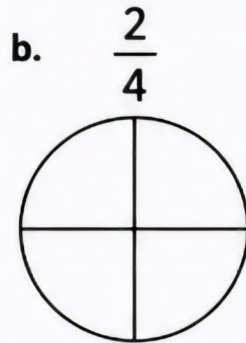

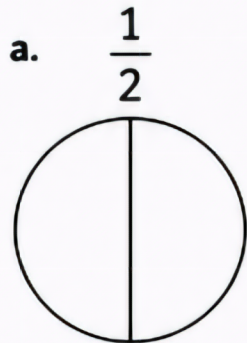

2. Shade the shapes to show the given fractions.

3. Write each fraction in words.

a. $\frac{1}{2}$ _____

b. $\frac{1}{4}$ _____

c. $\frac{3}{4}$ _____

d. $\frac{2}{3}$ _____

4. Circle the fractions that are less than one whole.

$\frac{1}{2}$

$\frac{3}{3}$

$\frac{2}{4}$

$\frac{4}{4}$

$\frac{1}{1}$

$\frac{2}{3}$
