

Name: _____

Date: _____

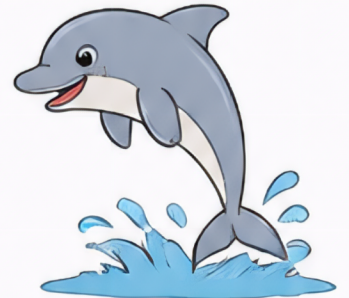

HOMOPHONES: MIXED PRACTICE

Homophones are words that sound the same but have different spellings and different meanings.

1. Circle the word that correctly completes each sentence.

1. I can't wait to (sea / see) the dolphins at the aquarium.
2. Please (right / write) your name on the paper.
3. We (went / want) to the park after school.
4. She will (bee / be) my partner for the science project.
5. Don't (brake / break) the toy! It is not yours.

2. Write the correct homophone on the line to complete each sentence.

they're their there

1. Look over _____. The bookstore is right over there.
2. _____ going to the movies tonight.
3. The red backpack is _____.
4. _____ dog is very friendly.

3. Choose the correct homophone to fill in the blank.

meet meat mete

1. We will _____ at the library after school.
2. He likes to eat grilled _____ for dinner.
3. I saw a shooting star! It was a _____!

4. Read each pair of sentences. Write the correct homophone from the box to complete each sentence.

bare bear pair pare hole whole

1. I saw a big _____ in the woods. / It is a _____ animal.
2. Please _____ your nails before the test. / I have a _____ of socks.
3. There is a _____ in my shoe. / I ate the _____ pizza by myself!

Great job! Homophones can be tricky, but practice makes perfect!
