Root Words: Finding the Base Word

A root word is the base word. Other words can be built from it!

Example:

The word **happiest** has the root word **happy**.

The base word **happy** is the root.

Directions: Read each word. Write the root word (base word) on the line.

Word	Root Word (Base Word)
1. kindness	_____
2. replay	_____
3. uncareful	_____
4. teacher	_____
5. fastest	_____
6. rewriting	_____
7. happiness	_____
8. playtime	_____
9. tallest	_____
10. helpful	_____

Great job! You're growing your word power!
